

# Olathe South Band Auditions - Percussion

Percussion students wanting to be placed in the select Olathe South Wind Ensemble in grades 10-12 or in either Symphonic Band or Wind Ensemble as a 9th grader will be expected to play at least two of the excerpts below...although it is to your benefit to prepare and play all three. The audition excerpts must be submitted as a recording (CD, MP3, etc) to the Olathe South Band Office or emailed to ccoughlinos@olatheschools.org by Friday, March 9, or performed for Mr. Coughlin live by that same date. Current 8th graders may also submit recordings to their middle school band director. The audition process for marching season assignments (drumline and front ensemble) will be separate and info available at a later date.
